

About Us

Operated and owned by scuba divers from different professional backgrounds, with the scuba diver's need in mind.

Vision

To become the market leader in the sports of scuba diving in this part of the country by providing the best, most value-added scuba diving services and gears to our customers, while strong advocates for marine environmental conservation and protection.

Mission

- To get more people into scuba diving to enjoy that unique experience of the underwater world by providing affordable yet fun-filled diving experience to all.

- To be a strong advocate for marine conservation and protection, the marine environment being our source of recreation, livelihood and life.
